## How it Works

### ***18 Holes***

Pick any course to play. Teams will determine their score by using the course rating found on the scorecard and deducting the team's score. For example, Governors Run's course rating is 73.9. If your team shoots 63, then your final score will be -10.9. Teams should submit their scores to Community Link via email.

### ***Miniature Golf***

Pick any miniature golf course to play. Putters should submit their individual scores to Community Link.

## Prizes

Cash prizes for both categories will be determined based on the number of entries.

All scores should be submitted to Cindy at [cindy@commlink.org](mailto:cindy@commlink.org). The hole-in-one contest is a winner takes all for the first hole in one that is made during the tournament (must be witnessed).
